CITIZENSHIP : Egyptian

Female

DATE OF BIRTH: 11/6/1961

MARITAL STATUS : Married

QUALIFICATION :

M.B.B.Ch April 1986 in General Medicine and Surgery Faculty of Medicine,
Mansoura University, Egypt. Very Good with Honour

Master Degree in pathology Jun 1993 Faculty of Medicine, Mansoura University
Egypt. Very Good. Topic : Dysplasia of
gastrointestinal tract.

MD PhD in pathology : July 1999 Faculty of Medicine, Mansoura University Egypt.
Topic: Renal changes in patients with malignant diseases.

PRACTICAL WORK:

- * Teaching course of special pathology(Male genital system) for undergraduate third year students, Faculty of medicine,Mansoura university.
- * Teaching course of special pathology(Gastrointestinal system) for undergraduate third year students, Faculty of medicine,Mansoura university.
- * Teaching course of general pathology for undergraduate second year students, Faculty of dentistry,Mansoura university.
- *Teaching course of general pathology for undergraduate fourth year students, Faculty of Farmacy,Mansoura university,
- * Teaching course of general pathology for postgraduate students of tropical disease,Faculty of medicine,mansoura university.

*Periodic working every year in the following centers and hospitals:

- a-Oncology centers,Mansoura university.
- b-Gastroenterology center,Mansoura university.
- c-pediatric hospital , Mansoura university
- d-General hospital of Mansoura university for frozen section and cytology.
- e-urology and nephrology center,Mansoura university.

*manager of histopathology lab of Mansoura oncology center,Mansoura university in the period 1/1/2015 up till now and responsible for accreditation of the lab by Egyptian accreditation council(EGAC).

*Travel to Saudi Arabia,King Khalid Hospital,Tabouk city,as consultant histopathology locum for three months.2014

*Working as consultant histopathology at AL Hammadi Hospitals ,Saudi Arabia, Riyadh.2018

*Working as consultant histopathology and manager of ALFA histopathology lab ,Saudi Arabia,Riyadh.2019-2021

APPOINTMENTS:

1) Rotationship training in Mansoura University Hospitals. 1/9/1986 to 31/8/1987

2)General practitoner in Ministry of Health . 1/9/1987 to 18/ 9/1988

Demonstrator of pathology;Departement of pathology;Mansoura 3) 19/9/1988 to 17/7/1993. Faculty of Medicine.

4) Assistant lecture of pathology,Departement of pathology,Mansoura Faculty of Medicine. 18/7/1993 to 26/9/1999.

5) Lecturer of pathology,Departement of pathology,Mansoura,Faculty of 27/9/1999 to 28/11/2007 .

Medicine

6) Assistant professor of pathology, Department of pathology, Mansoura
Faculty of Medicine. 28/11/2007 to
29/7/2013

7) Professor of pathology, Department of pathology, Mansoura, Faculty of
Medicine. 29/7/2013 up till now

Supervision of graduate students

1-Title:

Histopathological study of ulcerative colitis with assessment of
Proliferation potential and gene alteration.

Degree: Master's degree

Researcher name: Mei Ali

Supervision: Prof. Ebrahim elshawaf prof. Azmy A. Awad Dr. Eman y.

Al-Tanaihy.

Start date : 6/5/2001

Finished date: 9/10/2003

2-Title :

Effects Of Pulsed Electromagnetic Field On Fracture Healing In Rabbit
Models.

Degree: Masters's degree Researcher
name: Eman Elsayed Ahmed Attallah.

Supervision: Prof. Basma Ahmed ElKady, Dr. Wafaa Abdel Latif Tarshoby

Dr. Eman Y. Al-Tanaihy.

Start date : 13/7/2004

Finished date : 26/8/2004 3- Title :

Histopathological Study Of Cancer Cervix.

Degree: Master's degree

Researcher name : Reham Nagib

Supervision : Prof. Nadia Nada Prof. Sohir Serag Ass. Prof. Eman Y.

Al-Tanaihy.

Start date : 12/9/2007

Finished date : 28/5/2009

4- Title :
Cytological Evaluation Of Breast Lesions.

Degree: Master's degree
Supervision : Prof.Nadia basiony Prof Maha Abuhashim Ass.Prof.Eman Y.
Al-Tanaihy.
Reasercher name : Hoda saleh
Start date : 11/11/2007
Finished date : 3/8/2009

5- Title : Epidermal Growth Factor Receptors Expression In Colorectal
Carcinoma,Is It a Prognostic Factor.

Degree : Master's degree
Reasercher name : Abdelrohman Foda. Supervision : Prof. Ebrahim eldesoky
Prof.Mahmoud Elbaz Ass.Prof.Eman Y.
Al-Tanaihy.
Start date : 10/8/2008
Finished date :3/2/2010

6- Title :
Histopathological study of vascular tumors

Degree : Master's degree
Reasercher name : Amani Mohamad Abd El-razik
Supervision : Prof.Sohir Serag Ass.prof.Eman Yassin Al-Tanaihy Dr.Basem
Elesawy.
Start date : 13/9/2009
Finished date: 2/2/2011

7-Title : Fine needle aspiration cytology of salivary
gland lesions.

Degree : Master's degree
Reasercher name : Saly Elshahat abdelaziz
Supervision: prof.Nadia Basiony, Ass.Prof. .Eman Yassin Al-Tanaihy
Start date : 7/7/2011

8-Title : Role of liver biopsy in the diagnosis of metabolic liver
diseases.

Degree : Master's degree
Reasercher name: Heba Salah Eldin esmaeil
Supervision: Prof.Ebrahim Elshawaf. Ass.Prof. .Eman Yassin Al-Tanaihy

Lecturer.Amr Elkaref

Start date : 13/2/2012

9- Title :

Pediatric autoimmune liver diseases: IGg and IGM immunohistochemistry study
of plasma cell phenotype.

Degree : MD degree

Researcher name: Khadiga Mohamad Ali

Supervision : Prof.Nagwa Helal. **Ass.**Prof. .Eman Yassin Al-Tanaihy

Start date : 6/6/2012

10- Title : The value of Ki67,Bcl2 as a prognostic markers for NonHodgkin
lymphoma and its correlation with the international prognostic index. Degree

: MD degree

Researcher name: Doaa Sham edin Ahmad

Supervision: Prof. Sohir Serag. **Ass.**Prof. .Eman Yassin Al-Tanaihy

Start date : 15/10/2011

11- Title:

Role of Tox gene in diagnosis of mycosis fungoids (MF)and as a differentiating
marker of benign mimickers

Degree : MD degree

Researcher name: Sherine Mohamad Refat

Supervision:Prof. .Ebrahim Elshawaf. **Ass.**Prof. .Eman Yassin Al-Tanaihy

Start date : 9/12/2012

12- Title:

Prognostic significance of Bcl2 expression and mitotic count in invasive breast
carcinoma,correlation with Nottingham Grading system.

Degree : MD degree

Researcher name: Shima Mohamad Ebrahim

Supervision:Prof.Nadia Atwan. **Ass.**Prof. .Eman Yassin Al-Tanaihy

13-Title:

Role of suppressor genes and angiogenic factors in hepatocellular carcinoma in
cirrhotic patients.

Degree : MD degree

Researcher name : Aml Mohamad Elsherbiny

Supervision:Prof.ebrahim Mohamad Eldesoky.Prof.Azmy Awad. **Ass.**Prof. .Eman
Yassin Al-Tanaihy

14- Title:
Histopathology study of preneoplastic lesions of hepatocellular carcinoma and
mechanism of carcinogenesis

Degree : Master's degree
Reasercher name: Heba Abdelaziz Shata
Supervision: Prof. Mohamad Fawzy. Ass.Prof. .Eman Yassin Al-Tanaihy.
Lecturer.Dina Eltantawy

15-Title:
Prognostic significance of stromal markers in breast carcinomas: clinicopathological
and immunohistochemical study.

Degree: MD degree Maha Farouk Mahmoud Soliman
Reasercher name:
Supervision : Prof.Tawakol Gamil Prof.Eman Yassin Al-Tanaihy Prof.Nazem
Shams

16-Expression of galactin-3 in triple negative breast cancer: immunohistochemical and
clinicopathological

Reasercher name: Nehal mehrez
Supervision : prof.Eman yassin eltanaihy, Ass.Prof.Eman Elsalkh, Lecture.Nermin
Megahed

Honors and Awards :

- | | | |
|--|-----------|-----------------|
| 1) University teacher preparation course | 1991 | 2) 6 courses of |
| the faculty and leadership development project | 2006-2007 | |
| 3) 6 courses of the faculty and leadership development project | 2011-2013 | |

current medical association affiliations:

- *Egyptian Society of Pathology
- *international academy of pathology-Arab division
- *Mansoura Oncology Association(MOA)

Meeting & Conference attendance

- *Attended regularly the Egyptian Society of pathology
Scientific meeting from January 2004 till now.
- *Attended annual conference of the Faculty of medicine,Mansoura University
three times(2004 to 2012)
- *Attended the first annual course of nephropathology.Faculty of medicine,
Mansoura University,Egypt (February 2002)
- *Attended the hematology course in Mansoura University.Mansoura,Egypt in
collaboration with the departement of pathology and laboratory medicine.Temple
University.Philadelphia,USA(September 2005).
- * Attended the applied intensive course on soft tissue tumors in Cairo university,
Egypt in collaboration with International Academy of pathology(Arab Division)
(April 2006).
- *Attended the scientific meeting"Sentile Lymph Node Localization"in Saudi German
Hospital Auditorium,Jeddah,Kingdom Of Saudi Aabia.(March 2003).
- *Attended the scientific meeting"Evidence Based Mangement of Cervical Nodes
Metastasis" at Saudi German Hospital Group,Jeddah,Kingdom Of Saudi Arabia.
(Octobar 2003).
- *Attended the scientific meeting" 32nd Ain Shams international Medical
Congress".Cairo,March,2009
- *Attended the scientific meeting"XXII Congress of the international Academy of
pathology –Arab Division.Cairo,December 2010
- *Attended the scientific meeting"12th MOA training course Breast &GIT pathology
course. Mansoura,July 2015
- *Attended the scientific meeting"6th International Conference Of
oncology center Mansoura auniversity(OCMU).3rd Annual Meeting Of
African Breast Cancer&Woman Health Foundation.Cairo.May2016
